Alps to Ocean Trail *EPIC* Trip Notes

An epic 320km bike ride from the mountains of the majestic Aoraki/Mt Cook National Park, through the Mackenzie Basin and down the Waitaki Valley all the way to the Pacific Ocean at Oamaru Harbour.

Itinerary

Day 1 Christchurch - Twizel

We head south across the plains to the Mackenzie Basin, driving past Lake Tekapo to Lake Pukaki and the start of our great cycling epic. The first 6km cycle section is on a sealed road providing a good opportunity to get familiar with your bike. You then enter the trail on the Lake Pukaki foreshore that follows the fringe of Lake Pukaki, featuring fantastic views of Aoraki Mount Cook and the snow-capped Southern Alps, all the way to the spillway (9km). Enjoy a refreshment break at the Lake Pukaki foreshore before embarking on the next section of trail across the Pukaki Flats to Twizel (10km) featuring great views of the immense Mackenzie Basin and the afternoon sun falling across the Benmore Range. Check into our comfortable accommodation for the next two evenings. **Meals (D) | Cycle Distance: 25km**

Day 2 Twizel

We drive to the north eastern side of Lake Pukaki. This morning's cycle is a highlight. The 21km section travels deep into the mountains of the Southern Alps. The views here are quite simply superb and will take your breath away. The trail then retraces south to the carpark. Enjoy a picnic lunch surrounded by the mountains before completing the next section, 34km of gentle cycling following the shores of Lake Pukaki back to yesterday's starting point. At the conclusion of the ride we load our bikes and drive back to Twizel. **Meals (B/L/D) | Cycle Distance: 55km**

Day 3 Twizel – Omarama

Cycle out of Twizel on a sealed road to the Pukaki - Ohau canal. This 19km section follows the road alongside the canal to the Ohau weir. Here we enjoy morning tea with a fabulous view overlooking Lake Ohau and the Ben Ohau Range. The next 14km section is on new purpose built trail along the edge of Lake Ohau and across to Lake Middleton. Continue 5km to Ohau Lodge where a sumptuous lunch awaits. From here a challenging but spectacular 19km section of trail awaits, featuring a climb to the Tarnbrae highpoint and down again to the Quailburn. The final 23km section takes you on an easy descent of the Quailburn Road, and a short distance along trail to Omarama and our accommodation. Enjoy an optional visit to the Omarama Hot Tubs. **Meals (B/L/D) | Cycle Distance: 80km**

Day 4 Omarama – Oamaru

Today's ride takes us down the Waitaki Valley. The first 24km cycle section takes you from Omarama to Otematata, following the lakeside of Lake Benmore for part of the way. From here there is a short but steep climb to the Benmore Dam, past the power station and along the pleasant sealed road beside Lake Aviemore (30km). From here we follow the Waitaki River down the valley to Kurow (14km). Enjoy an optional tasting of local wines. We load up our bikes and drive to Oamaru and our comfortable hotel accommodation in the splendid Victorian precinct featuring some of New Zealand's best 19th century architecture. **Meals (B/L/D) | Cycle Distance: 68km**

Day 5 Oamaru

We head back to Kurow and commence the last day of our spectacular Alps to Ocean bike ride. Firstly the ride continues down the valley on the off road trail to Duntroon (28km). This section features an ancient Maori rock drawing site. We then leave the valley and head inland through North Otago countryside, home to the unusual limestone 'Elephant Rocks' to Windsor (32km). Enjoy lunch before the next 22km section through very attractive looking 'English' countryside, into Oamaru, finishing up by the sea at Friendly Bay. Enjoy a celebratory meal together. **Meals (B/L/D) | Cycle Distance: 82km**

Day 6 Oamaru – Christchurch

Have a well deserved lie in and leisurely breakfast. Spend the morning taking in the sights of the amazing Victorian precinct of Oamaru. We head back to Christchurch arriving at approximately 5:30pm. Alternatively catch a travel connection through to Queenstown. **Meals (B) | Cycle Distance: 0km**

Accommodation on the tour

Our comfortable accommodation on this tour includes studio motel & hotel rooms. Accommodation is based on double or twin share rooms, with en-suite facilities. Single travellers are required to pay the single room supplement fee, however if there are other singles on the trip willing to share a twin room we can arrange this for you in which case no single supplement fee will be payable.

On our website you will find links to some of the accommodations we use within the tour itinerary description. We do not send out a list of accommodation venues for your trip prior to the tour departure unless specifically requested.

Bike hire

Standard bike hire is available at a rate of \$190 for the 6 days. The bikes we use are hybrid style mountain bikes that are high quality and well maintained. We also have a small fleet of electric bikes (ebikes) available for hire at a rate of \$450 for the 6 days. Ebike availability is strictly limited so if you'd like to secure an ebike for your trip you need to book this in with us at your earliest convenience. For standard or ebike hire we need an **accurate measurement** of your height before we can confirm availability.

All bikes are fitted with comfortable gel seats and a small handlebar pannier bag. We also supply you with a helmet and drink bottle. To read more about our bikes, refer to our website: www.puretrailsnewzealand.co.nz/cycling-nz-information/cycle-trail-bike-hire.

Please note the wearing of cycle helmets on PureTrails tours, whether you are cycling on a public road or cycle trail, is a compulsory requirement.

'Saddle Sore' Tip:

No amount of gel seats or padding will protect you from saddle sore if you do not cycle regularly. The best way to prepare your backside for your tour is to cycle regularly (3 or more 20km+ rides per week) during the month leading up to your trip. Failing that you are welcome to bring a gel seat cover or even your own bike saddle to fit to your hire bike.

You are also welcome to bring your own spd pedals and cleat shoes to fit to your hire bike.

Alps to Ocean Trail *EPIC* Trip Notes

An epic 320km bike ride from the mountains of the majestic Aoraki/Mt Cook National Park, through the Mackenzie Basin and down the Waitaki Valley all the way to the Pacific Ocean at Oamaru Harbour.

Bringing your own bike

You are welcome to bring your own bike. Please ensure it is in good condition, recently serviced, and suitable for the terrain you will be riding on. Your bike must not weigh more than **20kgs** as anything over this weight is unmanageable for our guides to handle. You need to supply your own spare inner-tubes and other spare parts. Your guide can assist with basic repairs such as repairing punctures, however any running repairs required beyond this are your own responsibility.

If you require the services of a bike mechanic to unpack and assemble your bike prior to your trip and/or box it up again at the end of your trip, this service is available for \$25 (for those starting/finishing in Christchurch only).

Degree of difficulty & What to Expect

The 'Alps 2 Ocean Trail EPIC' is a challenging 320km cycle trail that consists of a mix of purpose built firm **gravel trails**, and sealed and **gravel public roads**. Our tour features 57% cycling on gravel cycle trails, 26% cycling on sealed roads, and 17% cycling on gravel roads. The trail features some of the best scenery in the country from the awe inspiring snow capped peaks of the Southern Alps, to the tawny tussock of the Mackenzie Basin, down to the fertile farmland of North Otago and the coast at Oamaru, a delightfully impressive Victorian city.

The riding is rated Grade 2 and there are **a few longer rides and challenging climbs** that can be skipped if desired. Refer to our website for more information on our Difficulty Gradings. www.puretrailsnewzealand.co.nz/cycling-nz-information/level-of-difficulty. Cycling experience is necessary, as well as the ability to change gears proficiently. If this itinerary sounds too ambitious for you, we now also have a 'EASY' grade 1 version of the Alps to Ocean Trail which you may like to consider.

If you do minimal training before your tour or are not 'cycle fit', you may find that you are not able to cycle all of the sections of the trail, and may require the use of our support vehicle.

Departure time and place (Christchurch)

PureTrails offer courtesy pick ups and drop offs from the locations recommended on page 3 & 4. If you are staying at one of these locations, we will pick you up between 8:00am and 8:20am approximately. For those staying elsewhere, we ask that you make your way to our depot in Papanui (11a Langstone Lane) **by 8:15am**. Please be ready wearing your cycle gear at the start of the tour.

Unfortunately we are not able to provide pick ups or drop offs at Christchurch Airport. The nearest pick up point available is at the Airport Gateway Motel, 2kms from the terminals.

Departure time and place (Queenstown)

If you opt to start your tour from Queenstown rather than Christchurch, the tour will meet you in Tekapo at approximately 1pm on Day 1, at the bus stop alongside the Tekapo Village or in that vicinity.

For those flying into Queenstown, we can organise a bus connection to Tekapo for you. Bus times available vary from day to day and month to month, so please check the timetable with us before finalising your flights. Please note tour transfers need to be booked and paid for at least one month in advance. The cost is Queenstown – Tekapo (\$40 pp approx).

International Transfers Tip:

Conventional Banks have high fees when it comes to international transfers (hence our \$25 funds clearance fee). Third party institutions such as Western Union or CurrencyFair or TransferWise will offer you a competitive currency exchange rate and significantly lower transfer fees. We are happy to refund you the difference (in NZ\$ cash) in funds clearance fees if you manage to secure a better rate.

Bicycles are not easily transported on public buses so you may find you are not able to bring your own bike if you require a bus connection from Queenstown.

Final Payment

Your final payment is required **60 days prior** to your tour departure date, and will include items which may not be listed on your original invoice such as bike hire and any tour transfers required. You will receive an updated invoice around 10 weeks prior to departure once we have received your Tour Information & Safety Declaration Form – see page 9.

Payment can be made by:

- + visa or mastercard (Inc debit cards) - subject to a 2.5% surcharge;
- + direct transfer (NZ bank account holders only);
- + international transfer (subject to a \$25 funds clearance fee which covers the fee NZ banks charge to receive your payment);
- + cheque in NZ currency ;
- + international bank draft (cheque)

Finishing your tour

If you are finishing your tour in Christchurch, you are likely to be back in the city by 5:30pm on Day 6. Your guide can drop you off at any of the accommodation locations on page 3 & 4. If you are flying out of Christchurch on Day 6, do not book flights that require check in before 6:30pm.

Finishing your tour in Queenstown

If you opt to finish your tour in Queenstown rather than Christchurch, we can organise a bus connection to Queenstown for you from Oamaru (via Dunedin). Bus times available vary from day to day and month to month, so please check the timetable with us before finalising your flights. Please note tour transfers need to be booked and paid for at least one month in advance. The cost is Oamaru – Queenstown (\$63 pp approx).

Bicycles are not easily transported on public buses so you may find you are not able to bring your own bike if you require a bus connection to Queenstown.

Guide

Your tour will be led by one of our friendly and professional guides who drives the support vehicle and will be at hand for (almost) anything you need or want to know during your tour (we try our best anyway!) We are very approachable so please do ask if you have any queries or concerns. Your guide **does not participate in the cycling** with the group, but meets up with you along the trail in our vehicle every 8 – 15kms or so.

Health & fitness

You will be cycling 320km of the Alps 2 Ocean Trail over 5 days so you should be reasonably fit and in good health. While the trail is not technically difficult, the more comfortable you are riding your bike beforehand, the more you will enjoy the trail. You bike at your own pace and can have plenty of photo and snack stops. Our emphasis is on having fun and enjoying the scenery. If you need a rest, there is always the option of taking the **support vehicle**.

An epic 320km bike ride from the mountains of the majestic Aoraki/Mt Cook National Park, through the Mackenzie Basin and down the Waitaki Valley all the way to the Pacific Ocean at Oamaru Harbour.

Insurance Tip:

Domestic New Zealand travellers can obtain a Domestic Travel Insurance Policy online from www.1Cover.co.nz (Comprehensive Domestic) or www.CoverMore.co.nz (Domestic Plan D) for reasonable prices (approx \$100-\$150 for two seniors for 8 days cover). Ensure your policy includes cover for 'Cancellations & Lost Deposits'. Pre-existing medical conditions are not generally covered so check the policy wording and exclusions carefully.

Laundry Tip:

If you need to give your cycle gear a wash during your trip, bring some travel liquid detergent and an elastic travel clothes line (available from Kathmandu etc). You can wash your garments and hang them out to dry in your room overnight. Merino and quick-dry fabric garments will dry out overnight.

We strongly encourage you to get out and do some biking before your tour, on gravel roads if possible, starting out with half an hour a day, building up to 3-4 longer rides (20km+) per week during the month prior to your tour (at the very minimum). The secret is to start slowly and increase your exercise gradually. The fitter you are the more enjoyable your experience will be.

If this itinerary sounds too ambitious for you, we now also have a 'EASY' grade 1 version of the Alps to Ocean Trail which you may like to consider.

If you do minimal training before your tour or are not 'cycle fit', you may find that you are not able to cycle all of the sections of the trail, and may require the use of our support vehicle.

Insurance

You never know when either yourself or a family member may fall ill. You are urged to take out travel insurance to cover yourself in the event that you need to cancel your tour with us within three months of the tour departure date. **This includes New Zealander's travelling within New Zealand.** PureTrails New Zealand Ltd is not obligated to give you a refund within this period. Refer to our website for the full terms and conditions www.puretrailsnewzealand.co.nz/booking-terms-conditions.

Laundry facilities

There are laundry facilities for you to use at our accommodation during the tour. There is usually a \$4 - 5 charge per wash and dry cycle.

Luggage

We urge you to try to keep your luggage to a minimum. Please limit yourself to 18kgs. All luggage is transported in our vehicle during the day. Anything you need access to during the days cycle ride should be stored in a small bag which can be left on the bus rather than in your suitcase. On Day 1 when you join the tour, please be ready wearing your cycle gear. Those with excess luggage not needed on the tour are welcome to store bags at our depot free of charge while you are away.

Meals & Special Dietary Requirements

Meals are supplied as indicated on the itinerary (B/L/D). Beer and wine, tea & coffee etc are not included in the tour package however there will be the opportunity for you to buy beverages along the way.

Breakfasts are a continental style breakfast supplied by our accommodation hosts, and lunches are taken either as a trail-side picnic or in cafes along the trail. For dinner we dine in the local restaurants in the villages where we stay following a two course set menu format.

We provide a range of high energy healthy snacks while biking such as bananas and fruit, froyze balls, muesli bars, fruit cake and biscuits.

PureTrails New Zealand will **endeavour** to cater to any special dietary requirements you may have (please disclose this on the Tour Info & Health & Safety Declaration form). Vegetarian and gluten free and dairy free diets are not a problem for our meal providers. Requests such as a sugar free or grain free diet and vegan meals etc are a

little more problematic given the remote rural location of the tour. In these instances you may need to bring your own snacks and specialty foods. We are unable to guarantee a peanut free or allergen free trip, and therefore we strongly encourage that travellers with life threatening or severe allergies take all necessary medical precautions to prepare for the possibility of exposure. Passengers must travel with all necessary medications for food allergies and be capable of self administering these medications.

Medical conditions

If you have a medical, physical or mental condition that may affect your ability to participate in the tour you must disclose this to us on our Tour Information and Safety Declaration form (see page 8). Your guide may follow up on your condition with you on Day 1 to help us manage your safety in the event of a medical event.

Phone reception/Wifi

There is very good mobile phone coverage throughout most of the Mackenzie Basin. Wifi is becoming more widely available and in most case (but not all) is offered free of charge, and there is also good 3G/4G coverage.

Tour Information and Safety Declaration Form

All tour participants (including non-riders) are required to complete a separate copy of our 'Tour Information and Safety Declaration Form', and return it to us **3 months** prior to your tour departure date. Please note this includes those who have been on another PureTrails New Zealand tour at some point in the past. Although we keep a database of information from previous tours, medical/dietary/emergency contact details can change from year to year so we require that a new form be completed for each tour you join.

Weather conditions

The Mackenzie Basin has one of the greatest extremes of weather variation in New Zealand, with temperatures ranging from -10 to 38°C. The altitude of the basin ranges from 500 – 700 metres above sea level, and the region can be subject to strong winds. You could experience very hot or cold temperatures at any time of the year.

Generally, you can expect the temperature to be around 15-30°C in Jan/Feb, and 15 - 25°C in Nov/Dec/Mar/April. By April, it tends to get quite cold in the evenings with frosts, and possibly snow in late April (!) The visual landscape is impossibly beautiful regardless of season or temperature. You will gain maximum enjoyment by being prepared for both hot and cold temperatures.
