*150km of easy cycling around the heart of the sunny Tasman district. Cycle beautiful coastlines and river valleys while enjoying delectable food, local wines and craft beers, and exploring the thriving arts scene.*

## Itinerary

### Day 1 Christchurch/Nelson – St Arnaud

We depart Christchurch for the drive north via the Lewis Pass to the Nelson Lakes National Park. Alternatively there is the option of starting from Nelson and meeting the tour party in St Arnaud instead of starting from Christchurch. After checking into our accommodation at St Arnaud, go for a ride around the village or on a road through the beech forest to get acquainted with your bicycle (14km). Eat at a local restaurant.

**Meals (D) | Cycle Distance: 14km**

### Day 2 St Arnaud - Nelson

We drive a short distance to the Golden Downs cycle touring route that takes us into Tasman Bay. Cycle 10km down a valley to the township of Wakefield. In Wakefield enjoy morning tea and a short bush walk before we join the Great Taste Trail, cycling 8km to Brightwater. Stop off and explore the Lord Rutherford Birthplace Memorial. Continue cycling (18kms) on the Great Taste Trail alongside the Waimea River and orchard flats to our lunch stop. Take an optional wine tasting break at a local winery before continuing to our finishing point on the outskirts of Nelson. In the afternoon you have time to explore the city centre or take an optional visit to the World of Wearable Arts Museum or a local brewery. **Meals (B/L/D) | Cycle Distance: 34km**

### Day 3 Nelson - Motueka

We continue cycling the Tasman Great Taste Trail. The first section of trail follows the coast around the Waimea Inlet to Rabbit Island with wonderful views out over Tasman Bay (19kms). At the northern tip of the Island we catch the ferry across to the seaside settlement of Mapua. Take some time to browse around the shops and cottage industries and enjoy a fresh seaside cafe lunch. After lunch continue riding the Great Taste Trail around the coast to Ruby Bay, and then inland through farmland, past the Riverside Community & Cafe, and finally into Motueka via the harbour (27km). Check into our accommodation for the next two nights. Enjoy an evening at a local craft brewery pub. **Meals (B/L/D) | Cycle Distance: 53km**

### Day 4 Motueka

Today's cycle follows the west bank of the beautiful Motueka River Valley, through forests and orchards and farmland, at a leisurely pace 32km to Riwaka. After lunch and the opportunity to visit a craft brewery, you can continue on the trail 8km to Motueka. This afternoon we do a side trip out to the coast to the beautiful golden sandy beach of Kaiteriteri. Relax on the beach before boarding a boat for an amazing scenic cruise alongside one of the country's most stunning places – the Abel Tasman National Park. Enjoy a celebratory final dinner across from the beach before heading back to Motueka.

**Meals (B/L/D) | Cycle Distance: 40km**

### Day 5 Motueka - Christchurch/Nelson

We head through the Motueka Valley to ride the famous Spooners Tunnel section of the Tasman Great Taste Trail to Belgrave (15km). The 1.4km Spooners Tunnel is NZ's longest decommissioned rail tunnel and has important heritage value. It is the 5th longest tunnel open to cycling and walking in the world, and the longest in the southern hemisphere. Trains used the Nelson Railway line and Spooners Tunnel until services stopped in 1955. Enjoy morning tea at the historic cafe at the finish before we load up our bikes and drive back to Christchurch via the Lewis Pass, arriving at around 6- 7pm. Alternatively you can catch a shuttle to Nelson. Shuttle availability and a minimum of 4 people may apply.

**Meals (B) | Cycle Distance: 15km**

## 'Saddle Sore' Tip:

No amount of gel seats or padding will protect you from saddle sore if you do not cycle regularly. The best way to prepare your backside for your tour is to cycle regularly (3 or more 20km+ rides per week) during the month leading up to your trip. Failing that you are welcome to bring a gel seat cover or even your own bike saddle to fit to your hire bike.

You are also welcome to bring your own spd pedals and cleat shoes to fit to your hire bike.

## Bike hire

Standard bike hire is available at a rate of \$190 for the 5 days. The bikes we use are hybrid style mountain bikes that are high quality and well maintained. We also have a small fleet of electric bikes (ebikes) available for hire at a rate of \$450 for the 5 days. Ebike availability is strictly limited so if you'd like to secure an ebike for your trip you need to book this in with us at your earliest convenience. For standard or ebike hire we need an **accurate measurement** of your height before we can confirm availability.

All bikes are fitted with comfortable gel seats and a small handlebar pannier bag. We also supply you with a helmet and drink bottle. To read more about our bikes, refer to our website: [www.puretrailsnewzealand.co.nz/cycling-nz-information/cycle-trail-bike-hire](http://www.puretrailsnewzealand.co.nz/cycling-nz-information/cycle-trail-bike-hire)

Please note the wearing of cycle helmets on PureTrails tours, whether you are cycling on a public road or cycle trail, is a compulsory requirement.

## Bringing your own bike

You are welcome to bring your own bike. Please ensure it is in good condition, recently serviced, and suitable for the terrain you will be riding on. Your bike must not weight more than **20kgs** as anything over this weight is unmanageable for our guides to handle. You need to supply your own spare inner-tubes and other spare parts. Your guide can assist with basic repairs such as repairing punctures, however any running repairs required beyond this are your own responsibility.

If you require the services of a bike mechanic to unpack and assemble your bike prior to your trip and/or box it up again at the end of your trip, this service is available for \$25 (for those starting/finishing in Christchurch only).

## Booking Conditions & Cancellation & Refunds policy

## **Contact details while on the tour**

If your friends or family need to contact you urgently during the tour, they can contact you via our office on: Phone: +64 21 178 8287. Please note there is good mobile phone coverage throughout most of the region.

## **Degree of difficulty & What to expect**

The 'Tasman Great Taste Trail' is a cycle trail that consists of a mix of sealed 'shared pathways', purpose built firm **gravel cycle trails**, boardwalks, and sealed and gravel public roads. Our 150km tour features 64% cycling on cycle trails and 36% cycling on sealed roads.

This tour is primarily a cycle tour (not a gourmet food tour) of the trail that connects the urban towns of the Nelson/Tasman region, as well of course as the plentiful wineries and vineyards, orchards and berry farms, and the beautiful sandy beaches of this sun drenched region. Where possible we eat in local wineries, fresh seafood restaurants, and craft breweries. There are optional opportunities to taste both local wines and craft beer along the way.

The riding is rated Grade 1 and there are a few gentle hills that can be skipped if desired. Refer to our website for more information on our Difficulty Gradings.

## **Departure time and place (Christchurch)**

PureTrails offer courtesy pick ups and drop offs from the locations recommended on page 3 & 4. If you are staying at one of these locations, we will pick you up between 8:00am and 8:20am approximately. support vehicle and will be at hand for (almost) anything you need or want to know during your tour (we try our best anyway!) We are very approachable so please do ask if you have any queries or concerns. Your guide **does not participate in the cycling** with the group, but meets up with you along the trail in our vehicle every 8 – 15kms or so.

## Health & fitness

You will be cycling 150km of the Tasman Great Taste Trail over 4 days so you should be reasonably fit and in good health. While the trail is not technically difficult, the more comfortable you are riding your bike beforehand, the more you will enjoy the trail. You bike at your own pace and can have plenty of photo and snack stops. Our emphasis is on having fun and enjoying the scenery. If you need a rest, there is always the option of taking the **support vehicle**.

We strongly encourage you to get out and do some biking before your tour, on gravel roads if possible, starting out with half an hour a day, building up to 3-4 longer rides (20km+) per week during the month prior to your tour (at the very minimum). The secret is to start slowly and increase your exercise gradually. The fitter you are the more enjoyable your experience will be.

## Insurance

You never know when either yourself or a family member may fall ill. You are urged to take out travel insurance to cover yourself in the event that you need to cancel your tour with us within three months of the tour departure date. **This includes New Zealander's travelling within New Zealand.** PureTrails New Zealand Ltd is not obligated to give you a refund within this period. Refer to our website for the full terms and conditions [www.puretrailsnewzealand.co.nz/booking-terms-conditions](http://www.puretrailsnewzealand.co.nz/booking-terms-conditions).

## Laundry facilities

There are laundry facilities for you to use at our accommodation during the tour. There is usually a \$4-5 charge per wash and dry cycle.

## Luggage

We urge you to try to keep your luggage to a minimum. Please limit yourself to 18kgs. All luggage is transported in our vehicle during the day. Anything you need access to during the days cycle ride should be stored in a small bag which can be left on the bus rather than in your suitcase. Those with excess luggage not needed on the tour are welcome to store bags at our depot free of charge while you are away.

## Meals & Special Dietary Requirements

Meals are supplied as indicated on the itinerary (B/L/D). Beer and wine, tea & coffee etc are not included in the tour package however there will be the opportunity for you to buy beverages along the way.

Breakfasts are a continental style breakfast supplied by our accommodation hosts, and lunches are taken either in wineries or restaurants along the trail or as a trail-side picnic. For dinner we dine in the local restaurants in the villages where we stay following a two course set menu format.

We provide a range of high energy healthy snacks while biking such as bananas and

### Insurance Tip:

Domestic New Zealand travellers can obtain a Domestic Travel Insurance Policy online from [www.1Cover.co.nz](http://www.1Cover.co.nz) (Comprehensive Domestic) or [www.CoverMore.co.nz](http://www.CoverMore.co.nz) (Domestic Plan D) for reasonable prices (approx \$100-\$150 for two seniors for 8 days cover). Ensure your policy includes cover for 'Cancellations & Lost Deposits'. Pre-existing medical conditions are not generally covered so check the policy wording and exclusions carefully.

### Laundry Tip:

If you need to give your cycle gear a wash during your trip, bring some travel liquid detergent and an elastic travel clothes line (available from Kathmandu etc). You can wash your garments and hang them out to dry in your room overnight. Merino and quick-dry fabric garments will dry out overnight.

fruit, froye balls, muesli bars, fruit cake and biscuits.

PureTrails New Zealand will **endeavour** to cater to any special dietary requirements you may have (please disclose this on the Tour Info & Health & Safety Declaration form). Vegetarian and gluten free and dairy free diets are not a problem for our meal providers. Requests such as a sugar free or grain free diet and vegan meals etc are a little more problematic given the remote rural location of the tour. In these instances you may need to bring your own snacks and specialty foods. We are unable to guarantee a peanut free or allergen free trip, and therefore we strongly encourage that travellers with life threatening or severe allergies take all necessary medical precautions to prepare for the possibility of exposure. Passengers must travel with all necessary medications for food allergies and be capable of self administering these medications.

### **Medical conditions**

If you have a medical, physical or mental condition that may affect your ability to participate in the tour you must disclose this to us on our Tour Information and Safety Declaration form (see page 9). Your guide may follow up on your condition with you on Day 1 to help us manage your safety in the event of a medical event.

### **Phone reception/Wifi**

There is very good mobile phone coverage along the Tasman Great Taste Trail. Wifi is becoming more widely available and in most case (but not all) is offered free of charge, and there is also good 3G/4G coverage.

### **Tour Information and Safety Declaration Form**

All tour participants (including non-riders) are required to complete a separate copy of our 'Tour Information and Safety Declaration Form', and return it to us **3 months** prior to your tour departure date. Please note this includes those who have been on another PureTrails New Zealand tour at some point in the past. Although we keep a database of information from previous tours, medical/dietary/emergency contact details can change from year to year so we require that a new form be completed for each tour you join.

### **Weather conditions**

The Tasman region has reasonably mild weather, though it can rain at any time of the year. Generally, you can expect the temperature to be around 15-30°C in Jan/Feb, and 15 - 25°C in Nov/Dec/Mar/April. You will gain maximum enjoyment by being prepared for both hot and cold temperatures.

Bright reflective cycling gear makes you far more visible to other road users and increases your safety significantly. We require that those not wearing bright reflective cycle clothing wear a PureTrails supplied high-vis safety vest for all cycle sections that are on public roads.

PureTrails NZ carries a comprehensive 1<sup>st</sup> Aid Kit and an Emergency Response Kit in our support vehicle; however this is kept for emergency situations only.
