Marlborough Wine Trail Trip Notes

Take a journey starting amidst North Canterbury's Waipara Wine growing region to Hanmer Springs, through the stunning Nelson Lakes National Park, and culminating in the heart of NZ's wine industry, Marlborough.

Itinerary

Day 1 Christchurch – Hanmer Springs

The tour gets underway as we head north to the Waipara grape growing region. Here we commence our first ride (14km) which takes you on a tour of the Waipara countryside and vineyards, before enjoying lunch at a cellar door. After lunch we travel a short distance to our next ride, through the lovely Scargill Valley, dotted with some of the farms original homesteads (22km). At the conclusion of the days cycling we head to the alpine resort town of Hanmer Springs and our accommodation. Enjoy a soak in the thermal hot pools, before our evening meal. **Meals (L/D) | Cycle Distance: 36km**

Day 2 Hanmer Springs – St Arnaud

We head out of the Hanmer Basin towards the Lewis Pass. Enjoy the scenic drive through the pass. We stop off and enjoy a short walk around the alpine tarns. In Murchison we detour off the main highway up a remote valley where our bike ride of the day is situated. Enjoy a 30km ride down a beautiful valley fringed with beech forest and mountain views. We then continue on to the picturesque village of St Arnaud and our accommodation at the Nelson Lakes National Park. Here there is time for a walk along the lake, a visit to the DOC visitor centre and a visit to an historic church hidden amongst the beech forest. **Meals (B/L/D) | Cycle Distance: 30km**

Day 3 St Arnaud - Blenheim

This morning our first 14km bike ride takes us through lovely beech forest, beside the Wairau River. We then travel down the Wairau Valley and into the heart of the Marlborough wine growing region. From here it is a short distance to Seddon where our 12km cycle ride commences, through extensive grape plantations all the way to the ocean at Clifford Bay. We backtrack to Yealand's Estate Winery. Yealand's is a world leader in sustainable wine production and as well as tasting the wines there is an opportunity to tour the spectacular Seaview vineyard. From here it is a short drive over Dashwood Pass to Blenheim and our accommodation for the next two evenings. **Meals (B/L/D) | Cycle Distance: 26km**

Day 4 Blenheim

Today is your opportunity to discover and taste the award winning wines of Marlborough. From our base in Blenheim, cycle along the Taylor River out of suburbia and onto the scenic rural roads that dissect the sea of vineyards that line the Wairau Plains. We stop off at numerous wineries where you are welcome to taste the local wines, get a coffee, or simply relax in the grounds. Stop at as many or as little as you'd like throughout the day. We meet up for lunch at Allan Scott winery, with further tasting opportunities at the famed Cloudy Bay Winery or Moa Brewery available. Your guide will be on the route with the support vehicle should you need a lift. We terminate the ride here and transfer to the Omapa Aviation Heritage Centre where there is the option to view the impressive *Knights of the Sky* exhibition, featuring Sir Peter Jackson's own collection of WW1 aircraft and artefacts. **Meals (B/L/D) | Cycle Distance: 38km**

Day 5 Blenheim - Christchurch

Our final ride heads through vineyards and farm land, all the way to Rarangi Beach at Cloudy Bay (18km). After morning tea on the beach we load up the bikes and return to Christchurch, arriving in the city by 7pm approximately. Alternatively you can finish your journey in Blenheim or Nelson. **Meals (B/L) | Cycle Distance: 18km**

Finishing your tour in Blenheim

If you are finishing your tour in Blenheim we can drop you off either in the town centre by 11am or airport at Renwick by 11.15am approximately. If you are flying out of Blenheim on Day 5, do not book flights that check in before 12:00pm.

Guide

Your tour will be led by one of our friendly and professional guides who drives the support vehicle and will be at hand for (almost) anything you need or want to know during your tour (we try our best anyway!) We are very approachable so please do ask if you have any queries or concerns. Your guide **does not participate in the cycling** with the group.

Health & fitness

You will be cycling 148km over 5 days so you should be reasonably fit and in good health. While the cycling is not technically difficult, the more comfortable you are riding your bike beforehand, the more you will enjoy the tour. You bike at your own pace and can have plenty of photo and snack stops. Our emphasis is on having fun and enjoying the scenery ... If you need a rest, there is always the option of taking the **support vehicle**.

We strongly encourage you to get out and do some biking before your tour, on **gravel roads** if possible, starting out with half an hour a day, building up to 3-4 longer rides (20km+) per week during the month prior to your tour (at the very minimum). The secret is to start slowly and increase your exercise gradually. The fitter you are the more enjoyable your experience will be.

Insurance

You never know when either yourself or a family member may fall ill. You are urged to take out travel insurance to cover yourself in the event that you need to cancel your tour with us within three months of the tour departure date. **This includes New Zealander's travelling within New Zealand.** PureTrails New Zealand Ltd is not obligated to give you a refund within this period. Refer to our website for the full terms and conditions www.puretrailsnewzealand.co.nz/booking-terms-conditions.

Laundry facilities

There are laundry facilities for you to use at our accommodation during the tour. There is usually a \$4-5 charge per wash and dry cycle.

Luggage

We urge you to try to keep your luggage to a minimum. Please limit yourself to 18kgs. All luggage is transported in our vehicle during the day. Anything you need access to during the days cycle ride should be stored in a small bag which can be left on the bus rather than in your suitcase. Those with excess luggage not needed on the tour are welcome to store bags at our depot free of charge while you are away. On Day 1 when you join the tour, please be ready wearing your cycle gear.

Meals & Special Dietary Requirements

Meals are supplied as indicated on the itinerary (B/L/D). Beer and wine, tea & coffee etc are not included in the tour package however there will be the opportunity for you to buy beverages along the way.

Insurance Tip:

Domestic New Zealand travellers can obtain a Domestic Travel Insurance Policy online from www.1Cover.co.nz (Comprehensive Domestic) or www.CoverMore.co.nz (Domestic Plan D) for reasonable prices (approx \$100-\$150 for two seniors for 8 days cover). Ensure your policy includes cover for 'Cancellations & Lost Deposits'. Pre-existing medical conditions are not generally covered so check the policy wording and exclusions carefully.

Laundry Tip:

If you need to give your cycle gear a wash during your trip, bring some travel liquid detergent and an elastic travel clothes line (available from Kathmandu etc). You can wash your garments and hang them out to dry in your room overnight. Merino and quick-dry fabric garments will dry out overnight.

Marlborough Wine Trail Trip Notes

Take a journey starting amidst North Canterbury's Waipara Wine growing region to Hanmer Springs, through the stunning Nelson Lakes National Park, and culminating in the heart of NZ's wine industry, Marlborough.

Breakfasts are a continental style, and lunches are taken either as picnics or in cafes. For dinner we dine in the local restaurants in the villages where we stay following a two course set menu format.

We provide a range of high energy healthy snacks while biking such as bananas and fruit, frooze balls, muesli bars, fruit cake and biscuits.

PureTrails New Zealand will **endeavour** to cater to any special dietary requirements you may have (please disclose this on the Tour Info & Health & Safety Declaration form). Vegetarian and gluten free and dairy free diets are not a problem for our meal providers. Requests such as a sugar free or grain free diet and vegan meals etc are a little more problematic given the remote rural location of the tour. In these instances you may need to bring your own snacks and specialty foods. We are unable to guarantee a peanut free or allergen free trip, and therefore we strongly encourage that travellers with life threatening or severe allergies take all necessary medical precautions to prepare for the possibility of exposure. Passengers must travel with all necessary medications for food allergies and be capable of self administering these medications.

Medical conditions

If you have a medical, physical or mental condition that may affect your ability to participate in the tour you must disclose this to us on our Tour Information and Safety Declaration form (see page 8). Your guide may follow up on your condition with you on Day 1 to help us manage your safety in the event of a medical event.

Phone reception/Wifi

There is very good mobile phone coverage throughout much of the region. Wifi is becoming more widely available and in most case (but not all) is offered free of charge, and there is also good 3G/4G coverage.

Tour Information and Safety Declaration Form

All tour participants (including non-riders) are required to complete a separate copy of our 'Tour Information and Safety Declaration Form', and return it to us **3 months** prior to your tour departure date. Please note this includes those who have been on another PureTrails New Zealand tour at some point in the past. Although we keep a database of information from previous tours, medical/dietary/emergency contact details can change from year to year so we require that a new form be completed for each tour you join.

Weather conditions

Generally, you can expect the daytime temperature to be around 15-30°C in Jan/Feb, and 12-25°C in Nov/Dec/Mar/April. The visual landscape is impossibly beautiful regardless of season or temperature. You will gain maximum enjoyment by being prepared for hot, cold, and wet conditions.

Bright reflective cycling gear makes you far more visible to other road users and increases your safety significantly. We require that those not wearing bright reflective cycle clothing wear a PureTrails supplied high-vis safety vest for all cycle sections that are on public roads.

1st Aid Kit Tip:

PureTrails NZ carries a comprehensive 1st Aid Kit and an Emergency Response Kit in our support vehicle; however this is kept for emergency situations only. Please bring your own supply of paracetamol, voltaren, antihistamine and any other medication you take, as well as bandaids and some dressings etc in a small kit that you can take with you on your bike.

Wet Weather Tip:

Bring a large plastic zip-lock bag that you can use inside the pannier bag of your hire bike to store your camera, phone, wallet etc to prevent them from getting wet (the pannier bags are not 100% waterproof).
