Accommodation on the tour

Our comfortable accommodation on this tour includes restored historic hotels, B&B lodges and cottages. Accommodation is based on double or twin share rooms, with mostly en-suite facilities. Single travellers are required to pay the single room supplement fee, however if there are other singles on the trip willing to share a twin room we can arrange this for you in which case no single supplement fee will be payable.

On our website you will find links to some of the accommodations we use within the tour itinerary description. We do not send out a list of accommodation venues for your trip prior to the tour departure unless specifically requested.

Bike hire

Standard bike hire is available at a rate of \$190 for the 6 days. The bikes we use are hybrid style mountain bikes that are high quality and well maintained. We also have a small fleet of electric bikes (ebikes) available for hire at a rate of \$450 for the 6 days. Ebike availability is strictly limited so if you'd like to secure an ebike for your trip you need to book this in with us at your earliest convenience. For standard or ebike hire we need an **accurate measurement** of your height before we can confirm availability.

All bikes are fitted with comfortable seats and a small handlebar pannier bag. We also supply you with a helmet. To read more about our bikes, refer to our website: www.puretrailsnewzealand.co.nz/cycling-nz-information/cycle-trail-bike-hire

Please note the wearing of cycle helmets on PureTrails tours, whether you are cycling on a public road or cycle trail, is a compulsory requirement.

'Saddle Sore' Tip:

No amount of gel seats or padding will protect you from saddle sore if you do not cycle regularly. The best way to prepare your backside for your tour is to cycle regularly (3 or more 20km+ rides per week) during the month leading up to your trip. Failing that you are welcome to bring a gel seat cover or even your own bike saddle to fit to your hire bike. You are also welcome to bring your own spd pedals and cleat shoes to fit to your hire bike.

Bringing your own bike

You are welcome to bring your own bike. Please ensure it is in good condition, recently serviced, and suitable for the terrain you will be riding on. Your bike must not weigh more than **20kgs** as anything over this weight is unmanageable for our guides to handle. You need to supply your own spare inner-tubes and other spare parts. Your guide can assist with basic repairs such as repairing punctures, however any running repairs required beyond this are your own responsibility.

If you require the services of a bike mechanic to unpack and assemble your bike prior to your trip and/or box it up again at the end of your trip, this service is available for \$25 (for those starting/finishing in Christchurch only).

one end of the trail to another to fit in with your tour which costs approximately \$55 per person + \$10 per bike (if you are bringing your own bike).

If your friends or family need to contact you urgently during the tour, they can contact you via our office on: Phone: +64 21 178 8287. Please note there is good mobile phone reception along most of the Otago Rail Trail.

Curling

Curling is an ancient sport played on the ice. Originating in Scotland, the game has been played in the Maniototo for close to 150 years. The town of Naseby in the Maniototo has an indoor curling ice rink that is open year round. PureTrails has organised a 1.5 hour 'Have a Go' session for the group on Day 4 which is included in the tour package. On some occasions this may not be available if there are professional curling events taking place.

Degree of difficulty & What to expect

The Otago Rail trail rates as among the easiest of all the cycle trails in New Zealand, and is a good trail to start with if you are new to cycling. The 150km cycle trail is a disused railway corridor originally built for steam trains so the gradient is a very gentle incline. The surface of the trail is **hard packed gravel** for its entire length. The trail passes through many small communities, some dating back to the 1860s, providing lots of opportunities to explore the history of the area. Many of the 4th/5th generation farming families still live locally and enjoy conversing with those cycling the trail.

The trail is rated easy (Grade 1) to negotiate with no steep hills or obstacles. Refer to our website for more information on our Difficulty Gradings.

www.puretrailsnewzealand.co.nz/cycling-nz-information/level-of-difficulty

Departure time and place (Christchurch)

PureTrails offer courtesy pick ups and drop offs from the locations recommended on pages 3 & 4. If you are staying at one of these locations, we will pick you up between 8:00am and 8:20am approximately. For those staying elsewhere, we ask that you make your way to our depot in Papanui (11a Langstone Lane) **by 8:15am**.

Unfortunately we are not able to provide pick ups or drop offs at Christchurch Airport. The nearest pick up point available is at the Airport Gateway Motel, 2kms from the terminals.

Departure time and place (Queenstown or Clyde or Dunedin)

If you opt to start your tour from Queenstown or Clyde or Dunedin rather than Christchurch, the tour will meet you in Clyde at approximately 4:30-5pm on Day 1, at our accommodation at the Antique Motor Lodge.

International Transfers Tip:

Conventional Banks have high fees when it comes to international transfers (hence our \$25 funds clearance fee). Third party institutions such as Western Union or CurrencyFair or TransferWise will offer you a competitive currency exchange rate and significantly lower transfer fees. We are happy to refund you the difference (in NZ\$ cash) in funds clearance fees if you manage to secure a better rate.

For those flying into Queenstown or Dunedin, we can organise a bus connection to Clyde for you. Bus times available vary from day to day and month to month, so please check the timetable with us before finalising your flights. Please note tour transfers need to be booked and paid for at least one month in advance. The cost is Queenstown – Clyde (\$35 pp approx) and Dunedin to Clyde (\$20 approx).

Bicycles are not easily transported on public buses so you may find you are not able to bring your own bike if you require a bus connection from Queenstown or Dunedin.

Final Payment

Your final payment is required **60 days prior** to your tour departure date, and will include items which may not be listed on your original invoice such as bike hire and any tour transfers required. You will receive an updated invoice around 10 weeks prior to departure once we have received your Tour Information & Safety Declaration Form – see page 9.

Payment can be made by:

- + visa or mastercard (Inc debit cards) - subject to a 2.5% surcharge;
- + direct transfer (NZ bank account holders only);
- + international transfer (subject to a \$25 funds clearance fee which covers the fee NZ banks charge to receive your payment);
- + cheque in NZ currency ;
- + international bank draft (cheque)

Finishing your tour in Christchurch

If you are finishing your tour in Christchurch, you are likely to be back in the city by 6:30pm on Day 6. Your guide can drop you off at any of the accommodation locations on pages 3 & 4. If you are flying out of Christchurch on Day 5, do not book flights that require check in before 7:00pm.

Finishing your tour in Clyde or Queenstown

If you are finishing your tour in Clyde or Queenstown we can organise a shuttle bus connection for you. Bus times available vary from day to day and month to month, so please check the timetable with us before booking any onward travel. Please note tour transfers need to be booked and paid for at least one month in advance. The cost is \$55 pp approx to Clyde and \$115 pp approx to Queenstown.

Finishing your tour in Dunedin via the Taieri Gorge Train

You can finish your tour in Dunedin via the highly recommended Taieri Gorge Railway (2.5hrs), which is a magnificent way to end your journey. The cost for taking the train is \$81 - \$97 (approx). Bicycles can be transported for \$10. The departure time from Middlemarch (or sometimes the nearby settlement of Pukerangi) varies from day to day and month to month, and on some occasions the train may not be available due to their timetable, so please check the timetable with us before booking any onward travel. Please note if you take the train to Dunedin you will not be able to get a ride back to Christchurch in our bus as well as it does not go via Dunedin.

For those flying out of Dunedin off the Taieri Gorge Train, we recommend you ask the train conductor when you get on the train if you can disembark at Wingatui rather than Dunedin city. If asked, the train staff will also organise a taxi to meet you at Wingatui to take you the short distance to the airport

Otago Rail Trail RELAXED Trip Notes

150km of flat cycling on NZ's iconic rail trail which follows the former Otago Central Branch railway line through historic mining towns and farming communities of Central Otago, with plenty of time to smell the roses.

Guide

Your tour will be led by one of our friendly and professional guides who drives the support vehicle and will be at hand for (almost) anything you need or want to know during your tour (we try our best anyway!) We are very approachable so please do ask if you have any queries or concerns. Your guide **does not participate in the cycling** with the group, but meets up with you along the trail in our vehicle every 8 – 15kms or so.

Health & fitness

You will be cycling 150km of the Central Otago Rail Trail over 3½ days so you should be reasonably fit and in good health. While the trail is not technically difficult, the more comfortable you are riding your bike beforehand, the more you will enjoy the trail. You bike at your own pace and can have plenty of photo and snack stops. Our emphasis is on having fun and enjoying the scenery and hospitality of the locals... If you need a rest, there is always the option of taking the **support vehicle**.

We strongly encourage you to get out and do some biking before your tour, on gravel roads if possible, starting out with half an hour a day, building up to 3-4 longer rides (20km+) per week during the month prior to your tour (at the very minimum). The secret is to start slowly and increase your exercise gradually. The fitter you are the more enjoyable your experience will be.

Insurance

You never know when either yourself or a family member may fall ill. You are urged to take out travel insurance to cover yourself in the event that you need to cancel your tour with us within three months of the tour departure date. **This includes New Zealander's travelling within New Zealand.** PureTrails New Zealand Ltd is not obligated to give you a refund within this period. Refer to our website for the full terms and conditions www.puretrailsnewzealand.co.nz/booking-terms-conditions.

Laundry facilities

Central Otago and particularly the Maniototo often experience drought conditions and water shortages and, as such, there are no laundry facilities for you to use during the tour. Well, that's what holidays are all about aren't they?! Please bring enough clothing for the 6 days.

Luggage

We urge you to try to keep your luggage to a minimum. Please limit yourself to 18kgs. All luggage is transported in our vehicle during the day. Anything you need access to during the days cycle ride should be stored in a small bag which can be left on the bus rather than in your suitcase. Those starting and finishing in Christchurch with excess luggage not needed on the tour are welcome to store bags at our depot free of charge while you are away.

Meals & Special Dietary Requirements

Meals are supplied as indicated on the itinerary (B/L/D). Beer and wine, tea & coffee etc are not included in the tour package however there will be the opportunity for you to buy beverages along the way.

Insurance Tip:

Domestic New Zealand travellers can obtain a Domestic Travel Insurance Policy online from www.1Cover.co.nz (Comprehensive Domestic) or www.CoverMore.co.nz (Domestic Plan D) for reasonable prices (approx \$100-\$150 for two seniors for 8 days cover). Ensure your policy includes cover for 'Cancellations & Lost Deposits'. Pre-existing medical conditions are not generally covered so check the policy wording and exclusions carefully.

Laundry Tip:

If you need to give your cycle gear a wash during your trip, bring some travel liquid detergent and an elastic travel clothes line (available from Kathmandu etc). You can wash your garments and hang them out to dry in your room overnight. Merino and quick-dry fabric garments will dry out overnight.

Otago Rail Trail RELAXED Trip Notes

150km of flat cycling on NZ's iconic rail trail which follows the former Otago Central Branch railway line through historic mining towns and farming communities of Central Otago, with plenty of time to smell the roses.

Breakfasts are a continental style breakfast supplied by our accommodation hosts, and lunches are taken either in taverns along the trail or as a trail-side picnic. For dinner we dine in the local taverns in the villages where we stay following a two course set menu format.

We provide a range of high energy healthy snacks while biking such as bananas and fruit, frooze balls, muesli bars, fruit cake and biscuits.

PureTrails New Zealand will **endeavour** to cater to any special dietary requirements you may have (please disclose this on the Tour Info & Health & Safety Declaration form). Vegetarian and gluten free and dairy free diets are not a problem for our meal providers. Requests such as a sugar free or grain free diet and vegan meals etc are a little more problematic given the remote rural location of the tour. In these instances you may need to bring your own snacks and specialty foods. We are unable to guarantee a peanut free or allergen free trip, and therefore we strongly encourage that travellers with life threatening or severe allergies take all necessary medical precautions to prepare for the possibility of exposure. Passengers must travel with all necessary medications for food allergies and be capable of self administering these medications.

Medical conditions

If you have a medical, physical or mental condition that may affect your ability to participate in the tour you must disclose this to us on our Tour Information and Safety Declaration form (see page 9). Your guide may follow up on your condition with you on Day 1 to help us manage your safety in the event of a medical event.

Phone reception/Wifi

There is very good mobile phone reception along the Otago Rail Trail. Wifi in this area is still not readily available at most accommodation places. There is good 3G/4G coverage however.

Tour Information and Safety Declaration Form

All tour participants (including non-riders) are required to complete a separate copy of our 'Tour Information and Safety Declaration Form', and return it to us **3 months** prior to your tour departure date. Please note this includes those who have been on another PureTrails New Zealand tour at some point in the past. Although we keep a database of information from previous tours, medical/dietary/emergency contact details can change from year to year so we require that a new form be completed for each tour you join.

Weather conditions

Central Otago has one of the greatest extremes of weather variation in New Zealand, with temperatures ranging from -10 to 38°C. The altitude of the rail trail ranges from 200 – 600 metres above sea level, and the region can be subject to strong winds. You could experience very hot or cold temperatures at any time of the year.

Generally, you can expect the temperature to be around 15-30°C in Jan/Feb, and 15 - 25°C in Nov/Dec/Mar/April. By April, it tends to get quite cold in the evenings with frosts, and possibly snow in late April (!) The visual landscape is impossibly beautiful regardless of season or temperature. You will gain maximum enjoyment by being prepared for both hot and cold temperatures.
