Alps to Ocean Trail *EASY* Trip Notes

Take a cycle journey through the stunning Mackenzie Basin, surrounded by the Southern Alps, all the way to the Pacific Ocean, at a relaxed pace on the easier sections of the renowned Alps 2 Ocean Cycle Trail.

Itinerary

Day 1 Christchurch – Twizel

We head south across the plains to the Mackenzie Basin, driving past Lake Tekapo to Lake Pukaki and the start of our cycle journey. The first 6km cycle section is on a sealed road providing a good opportunity to get familiar with your bike. You then enter the trail on the Lake Pukaki foreshore that follows the fringe of Lake Pukaki, featuring fantastic views of Aoraki Mount Cook and the snow-capped Southern Alps, all the way to the spillway (9km). Enjoy a refreshment break at the Lake Pukaki foreshore before embarking on the next section of trail across the Pukaki Flats to Twizel (10km) featuring great views of the immense Mackenzie Basin and the afternoon sun falling across the Benmore Range. Check into our comfortable accommodation for the next two nights. **Meals (D) | Cycle Distance: 25km**

Day 2 Twizel

This morning we ride out of Twizel on the glorious flat and sealed canal roads, towards Lake Ohau (20km). At the lake enjoy views of the Barrier Range over morning tea, before cycling the Alps 2 Ocean trail Ohau weir section (19km) around the edge of the lake and on to Lake Ohau Lodge. We enjoy lunch here, and there is plenty of time to relax and enjoy yet more million dollar alpine views. We take a side trip to the head of the lake and into the glacial valley (keen cyclists could ride this section also) where it feels like you can literally reach out and touch the mountain tops. On the way back to Twizel we stop off and visit Glenbrook Station. Glenbrook is a 3700 hectare farm running merino sheep and beef. Enjoy a relaxing afternoon tea in front of the homestead before taking a tour around the (lower parts) of the station, learning about the merino sheep and how they are farmed by our hosts the Williamson family. Our farm visit is a great opportunity to learn the merino wool story and see first hand the wool product, from the farm to the finished product. **Meals (B/L/D) | Cycle Distance: 39km**

Day 3 Twizel - Otematata

Today we ride the Quailburn section of the Alps 2 Ocean Trail to Omarama, featuring more great views of the surrounding mountains (24km), where there is the opportunity to explore an historic woolshed. After lunch, the next 13km cycle section takes you from Omarama to Sailors Cutting, following the lakeside of Lake Benmore. Here we load up and travel a short distance to the next town of Otematata and our accommodation. Enjoy the friendly atmosphere in the country pub. **Meals (B/L/D) | Cycle Distance: 37km**

Day 4 Otematata - Oamaru

We farewell the Mackenzie Basin and travel down the Waitaki Valley. Our ride commences at the Benmore Dam and takes us around the side of one of the great hydro lakes of the valley, under the cool shade of the willow trees (22km). We then travel to Kurow for lunch, before riding on from Kurow to Duntroon (28km). This section features an ancient Maori rock drawing site which can be explored. In Duntroon explore the township and enjoy a beverage in the country hotel before we transfer a short distance to the town of Oamaru and our accommodation for the next two evenings. **Meals (B/L/D) | Cycle Distance: 50km**

Day 5 Oamaru

We head to Duntroon and commence the last day of our spectacular Alps to Ocean bike ride. We leave the river valley and head inland through North Otago countryside, home to the unusual limestone 'Elephant Rocks' to Prydes Gully (19km). Enjoy cycling the final 33km section through very attractive looking 'English' countryside, from Windsor via the Botanical Gardens to Oamaru, finishing up by the sea at Friendly Bay. Explore in the splendid Victorian precinct of Oamaru featuring some of New Zealand's best 19th century architecture and enjoy a celebratory meal together. **Meals (B/L/D) | Cycle Distance: 52km**

Day 6 Oamaru - Christchurch

Have a well deserved lie in and leisurely breakfast. Spend the morning taking in the sights of the amazing Victorian precinct of Oamaru. We head back to Christchurch arriving at approximately 4:30pm. Alternatively catch a travel connection through to Queenstown, arriving at 7:20pm. **Meals (nil) | Cycle Distance: 0km**

Single travellers are required to pay the single room supplement fee, however if there are other singles on the trip willing to share a twin room we can arrange this for you in which case no single supplement fee will be payable.

On our website you will find links to some of the accommodations we use within the tour itinerary description. We do not send out a list of accommodation venues for your trip prior to the tour departure unless specifically requested.

Bike hire

Standard bike hire is available at a rate of \$190 for the 6 days. The bikes we use are hybrid style mountain bikes that are high quality and well maintained. We also have a small fleet of electric bikes (ebikes) available for hire at a rate of \$450 for the 6 days. Ebike availability is strictly limited so if you'd like to secure an ebike for your trip you need to book this in with us at your earliest convenience. For standard or ebike hire we need an **accurate measurement** of your height before we can confirm availability.

All bikes are fitted with comfortable gel seats and a small handlebar pannier bag. We also supply you with a helmet. To read more about our bikes, refer to our website: www.puretrailsnewzealand.co.nz/cycling-nz-information/cycle-trail-bike-hire

Please note the wearing of cycle helmets on PureTrails tours, whether you are cycling on a public road or cycle trail, is a compulsory requirement.

'Saddle Sore' Tip:

No amount of gel seats or padding will protect you from saddle sore if you do not cycle regularly. The best way to prepare your backside for your tour is to cycle regularly (3 or more 20km+ rides per week) during the month leading up to your trip. Failing that you are welcome to bring a gel seat cover or even your own bike saddle to fit to your hire bike.

You are also welcome to bring your own spd pedals and cleat shoes to fit to your hire bike.

Bringing your own bike

You are welcome to bring your own bike. Please ensure it is in good condition, recently serviced, and suitable for the terrain you will be riding on. Your bike must not weigh more than **20kgs** as anything over this weight is unmanageable for our guides to handle. You need to supply your own spare inner-tubes and other spare parts. Your guide can assist with basic repairs such as repairing punctures, however any running repairs required beyond this are your own responsibility.

If you require the services of a bike mechanic to unpack and assemble your bike prior to your trip and/or box it up again at the end of your trip, this service is available for \$25.

Degree of difficulty & What to expect

The Alps 2 Ocean Trail is a purpose built cycle trail starting at the foot of the Southern Alps, leading all the way down the Waitaki Valley to the Pacific Ocean at Oamaru. On this EASY trip we have taken the pain out of the trail by selecting 203km of the easier parts of the trail to ride. The tour features 32% cycling on sealed roads, 62% cycling on **gravel cycle trail**, and 6% cycling on **gravel roads**.

The riding is rated Grade 1 and there are a few gentle hills that can be skipped if desired. Refer to our website for more information on our Difficulty Gradings.

www.puretrailsnewzealand.co.nz/cycling-nz-information/level-of-difficulty

Departure time and place

PureTrails offer courtesy pick ups and drop offs from the locations recommended on pages 3 & 4. If you are staying at one of these locations, we will pick you up between 8:00am and 8:20am approximately. For those staying elsewhere, we ask that you make your way to our depot in Papanui (11a Langstone Lane) **by 8:15am**. Please be ready wearing your cycle gear at the start of the tour.

Unfortunately we are not able to provide pick ups or drop offs at Christchurch Airport. The nearest pick up point available is at the Airport Gateway Motel, 2kms from the terminals.

Final Payment

Your final payment is required **60 days prior** to your tour departure date, and will include items which may not be listed on your original invoice such as bike hire. You will receive an updated invoice around 10 weeks prior to departure once we have received your Tour Information & Safety Declaration Form – see page 8.

Payment can be made by:

- + visa or mastercard (Inc debit cards) - subject to a 2.5% surcharge;
- + direct transfer (NZ bank account holders only);
- + international transfer (subject to a \$25 funds clearance fee which covers the fee NZ banks charge to receive your payment);
- + cheque in NZ currency ;
- + international bank draft (cheque)

Finishing your tour

The tour finishes in Christchurch at approximately 5pm on Day 6. Your guide can drop you off at any of the accommodation locations on pages 3 & 4. If you are flying out of Christchurch on Day 5, do not book flights that require check in before 5:30pm.

International Transfers Tip:

Conventional Banks have high fees when it comes to international transfers (hence our \$25 funds clearance fee). Third party institutions such as Western Union or CurrencyFair or TransferWise will offer you a competitive currency exchange rate and significantly lower transfer fees. We are happy to refund you the difference (in NZ\$ cash) in funds clearance fees if you manage to secure a better rate.

Finishing your tour in Queenstown

If you opt to finish your tour in Queenstown rather than Christchurch, we can organise a bus connection to Queenstown for you from Oamaru (via Dunedin). Bus times available vary from day to day and month to month, so please check the timetable with us before finalising your flights. The usual time is a 12pm departure and a 7:20pm arrival time (IE 7.5hrs travel time). Please note tour transfers need to be booked and paid for at least one month in advance. The cost is Oamaru – Queenstown (\$63 pp approx).

Bicycles are not easily transported on public buses so you may find you are not able to bring your own bike if you require a bus connection to Queenstown.

Guide

Your tour will be led by one of our friendly and professional guides who drives the support vehicle and will be at hand for (almost) anything you need or want to know during your tour (we try our best anyway!) We are very approachable so please do ask if you have any queries or concerns. Your guide **does not participate in the cycling** with the group.

Health & fitness

You will be cycling 203km over 5 days so you should be reasonably fit and in good health. While the cycling is not technically difficult, the more comfortable you are riding your bike beforehand, the more you will enjoy the tour. You bike at your own pace and can have plenty of photo and snack stops. Our emphasis is on having fun and enjoying the scenery ... If you need a rest, there is always the option of taking the **support vehicle**.

We strongly encourage you to get out and do some biking before your tour, on gravel roads if possible, starting out with half an hour a day, building up to 3-4 longer rides (20km+) per week during the month prior to your tour (at the very minimum). The secret is to start slowly and increase your exercise gradually. The fitter you are the more enjoyable your experience will be.

Insurance

You never know when either yourself or a family member may fall ill. You are urged to take out travel insurance to cover yourself in the event that you need to cancel your tour with us within three months of the tour departure date. **This includes New Zealander's travelling within New Zealand.** PureTrails New Zealand Ltd is not obligated to give you a refund within this period. Refer to our website for the full terms and conditions www.puretrailsnewzealand.co.nz/booking-terms-conditions.

Laundry facilities

There are laundry facilities for you to use at our accommodation during the tour. There is usually a \$4-5 charge per wash and dry cycle.

Luggage

We urge you to try to keep your luggage to a minimum. Please limit yourself to 18kgs. All luggage is transported in our vehicle during the day. Anything you need access to during the days cycle ride should be stored in a small bag which can be left on the bus rather than in your suitcase. Those with excess luggage not needed on the tour are

Insurance Tip:

Domestic New Zealand travellers can obtain a Domestic Travel Insurance Policy online from www.1Cover.co.nz (Comprehensive Domestic) or www.CoverMore.co.nz (Domestic Plan D) for reasonable prices (approx \$100-\$150 for two seniors for 8 days cover). Ensure your policy includes cover for 'Cancellations & Lost Deposits'. Pre-existing medical conditions are not generally covered so check the policy wording and exclusions carefully.

Laundry Tip:

If you need to give your cycle gear a wash during your trip, bring some travel liquid detergent and an elastic travel clothes line (available from Kathmandu etc). You can wash your garments and hang them out to dry in your room overnight. Merino and quick-dry fabric garments will dry out overnight.

welcome to store bags at our depot free of charge while you are away. On Day 1 when you join the tour, please be ready wearing your cycle gear.

Meals & Special Dietary Requirements

Meals are supplied as indicated on the itinerary (B/L/D). Beer and wine, tea & coffee etc are not included in the tour package however there will be the opportunity for you to buy beverages along the way.

Breakfasts are a continental style, and lunches are taken either as picnics or in cafes. For dinner we dine in the local restaurants in the villages where we stay following a two course set menu format.

We provide a range of high energy healthy snacks while biking such as bananas and fruit, frooze balls, muesli bars, fruit cake and biscuits.

PureTrails New Zealand will **endeavour** to cater to any special dietary requirements you may have (please disclose this on the Tour Info & Health & Safety Declaration form). Vegetarian and gluten free and dairy free diets are not a problem for our meal providers. Requests such as a sugar free or grain free diet and vegan meals etc are a little more problematic given the remote rural location of the tour. In these instances you may need to bring your own snacks and specialty foods. We are unable to guarantee a peanut free or allergen free trip, and therefore we strongly encourage that travellers with life threatening or severe allergies take all necessary medical precautions to prepare for the possibility of exposure. Passengers must travel with all necessary medications for food allergies and be capable of self administering these medications.

Medical conditions

If you have a medical, physical or mental condition that may affect your ability to participate in the tour you must disclose this to us on our Tour Information and Safety Declaration form (see page 8). Your guide may follow up on your condition with you on Day 1 to help us manage your safety in the event of a medical event.

Phone reception/Wifi

There is very good mobile phone coverage throughout much of the trail. Wifi is becoming more widely available and in most case (but not all) is offered free of charge, and there is also good 3G/4G coverage.

Tour Information and Safety Declaration Form

All tour participants (including non-riders) are required to complete a separate copy of our 'Tour Information and Safety Declaration Form', and return it to us **3 months** prior to your tour departure date. Please note this includes those who have been on another PureTrails New Zealand tour at some point in the past. Although we keep a database of information from previous tours, medical/dietary/emergency contact details can change from year to year so we require that a new form be completed for each tour you join.

Weather conditions

The Mackenzie Basin has one of the greatest extremes of weather variation in New Zealand, with temperatures ranging from -10 to 38°C. The altitude of the basin ranges
