

For your peace of mind, our support vehicle is always available throughout each stage of the cycle tour. This gives us the opportunity to visit other points of interest around the areas on the tour. Or if we have any unfavourable weather conditions, bike hassles or flatties, or you just simply need to rest the legs for a little bit, then we can accommodate accordingly. Please refer to our [FAQs page](#) for more information.

- Enjoy a picnic lunch before the final section of trail through to the historic mining town of Kumara.
